

Topological Groups

Summer Term 2013
Andreas Mars

TECHNISCHE
UNIVERSITÄT
DARMSTADT

Fachbereich
Mathematik

1. Lecture

We meet every Tuesday, 14.25 pm – 16.05 pm in S2 | 15-401. I'm working on lecture notes, which might (or might not) be complete by the end of the summer term.

2. Exercises

They will be held every 2 weeks, starting **the first week, i.e. April 17th**. Room S1 | 15-021 has been reserved for our sessions.

I will provide printed versions. However, exercise sheets can be found online at:

<https://www3.mathematik.tu-darmstadt.de/evs/e/23/1015.html?>

3. Office Hours

By appointment: anytime. Is a regular time slot more appreciated?

4. Exam

The course is suitable for an oral exam of 20 min., worth 5 Credit Points. Please be so kind as to arrange time and date early.
